## **FALMOUTH YACHT CLUB SONAR FLEET NEWS**

The fleet started in grand fashion with Ryan Richards joining the fleet with boat # 365. We were able to coax his father out of retirement to crew for him in several races.

A real tribute to the fleet is that all 5 boats raced all 30 races starting June 19th through August 28th. At times it was challenging to find crew for all these races, but the skippers persevered and no boat was left ashore.

Another highlight was the generosity of Skip Shumway, (Sonar Distributor) allowing us to use his boat for several weeks throughout the season. THANKS SKIP. Club members were able to sail the boat and compete in many of the races.

The Mid Summer Regatta held July 17th & 18th was a tremendous success thanks in part to Rick Schultz and his race committee. They provided excellent race management for the 2 days. We had boats come from Rochester & Nyack NY, also several boats from Vineyard Haven YC & Orleans Ma

The season ended with an awards dinner where 35 skippers, crew & spouses attended. Chef Phil & his staff did a superb job of preparing & serving the 35 meals in a timely manner. Ryan Richards walked away with the season championship followed closely by Jack Valle.

The fleet is now planning for 2011 we are looking to increase the fleet again next year. In addition we are planning on conducting "HOW TO CREW" lessons during next season. More on this in future "Docklines" stayed tuned !
