

TRAILER PARKING AT 475 GRAND AVENUE and MacDOUGALL'S MARINE

- 1 - From FYC, turn LEFT onto GRAND AVE.
- 2 - 475 Grand Avenue is 0.3 mi. ahead on the east side of the street. Parking at 475 Grand Avenue is allowed from 5:00 Friday afternoon until 6:00 Sunday evening. If you are sailing your boat to Martha's Vineyard after the Falmouth Regatta, you cannot leave your trailer at 475 Grand Avenue until you return. You should leave your trailer at the Morse Pond School, instead. When parking at 475 Grand Avenue, do not block any of the doors or vehicles that are parked along the building.
- 3 - For MacDougall's Marine, go STRAIGHT past 475 Grand Avenue onto Falmouth Heights Rd. Do **not** follow Grand Avenue to the right. The main entrance for MacDougall's is directly across the street from the Falmouth Heights Motor Lodge, 0.1 mile beyond 475 Grand Avenue. There should be an FYC member on site to direct you to the trailer area. If there is no FYC member present to direct you, then you may leave your trailer near the other 420 trailers, or along the nearby building. Please be careful not to back your trailer into the building, and do not block doors and fire lanes. You may also park your car in the area with "Permit Parking" signs if there is no parking at FYC or on Deacon's Path.
- 4 - If you need trailer storage beyond 6:00 pm on Sunday, you may store your trailer at Morse Pond School. There is a separate document with directions to Morse Pond.
